MAGNETIC MUSIC is a unique recording company. Eric Preusser, started MAGNETIC MUSIC from the perspective of being a musician first. We are currently assisting clients in Boston, greater New England, Washington DC, France, Italy, Spain and the Netherlands. We are a global music company that strives to promote the signed and unsigned artist. There is only one criterion for the artists on the Magnetic Music label, and that is that the artists produce exceptional music! it's that simple. So, no matter what your taste, check us out! MAGNETIC MUSIC also does a lot for charity, Serving the American Cancer Society, City Year, Dimock Community Health Center, and host of other worthy organizations. Please read on about the Arts For Charity Campaign.

MAGNETIC MUSIC strives to create a united balance between for profit endeavors and charitable ones, with (AFCC) the Arts For Charity Campaign. Charity was the reason behind starting the label and we continue to serve the communities of Boston with our recordings of great talent for the purpose of raising money for its many deserving institutions! Under the Arts For Charity Campaign, all profits of all recordings go to the charity it is designed to serve, after production costs. MAGNETIC MUSIC is growing faster than ever.
