

Eric Preusser Productions is a full service event planning company. We are committed to creativity and excellence in order to assure your complete satisfaction. After gaining a thorough understanding of your objectives, our mission is achieved by bringing "magic" to your event in its final presentation! Through a creative and collaborative approach, our event team will bring logistical excellence, leadership and fulfillment to your goals!

Your event explicitly represents your goals, and reputation. It is defined through the execution of every last detail! With this understanding, and the highest level of commitment, we take a personalized and unique approach to working with you to ensure your event captures artistry in its presentation!

It has been our distinct pleasure to collaborate with the very best in the business. We will bring an exciting and informative approach to your endeavor. Your specific goals blended with our originality, work ethic and execution will result in a unique event! Our experience, in working closely with related hospitality professionals will ensure that your event works to perfection!!
