

Are you prepared to make a 50% deposit when a national act accepts your offer? National acts range in price from \$3,500 to \$500,000.

Are you authorized to make a decision quickly, sign a contract and follow through with a deposit? Information on national acts' availability is only temporary. In some cases we can "hold" national acts for a brief period.

We have buying power! You can count on the best prices for all of your talent needs.

Whether you are looking for National talent booking, international talent booking, international music booking or regional music booking you have arrived at the best source to meet your needs!

We maintain close relationships within the industry and are equipped with the most current information on tour development and artist routing. You can be assured of the best possible price, nationally and internationally.

The list of national talent includes Jazz artists, Smooth Jazz artists, R&B artists, Rock artists, Rap artists, Country artists, Soul artists, Pop artists, and specialty & novelty acts.
